WHY THROW IT AWAY? REUSE IT

It all started with a simple idea: What if single use was... reusable? GO2CUP is the smart, sustainable, reusable alternative. GO2CUP works with local businesses, the community and event organisers to replace single-use with reusable serve ware suitable for outdoor events, conferences and pop-up bars.

HOME

Aqumen is a privately owned consultancy focussed on delivering expert business services to public and private sector organisations in construction, health, aged care, disability services, commercial, retail and hospitality.

We work with clients to provide practical, sound and effective outcomes designed to enhance business activities and achieve organisational outcomes.

Founded in 2006 Aqumen, has completed a wide variety of projects for a diverse range of clients in the areas of business planning, strategic asset and facility planning, project management, service delivery strategies, feasibility studies, business case development, workshop facilitation and stakeholder consultation.

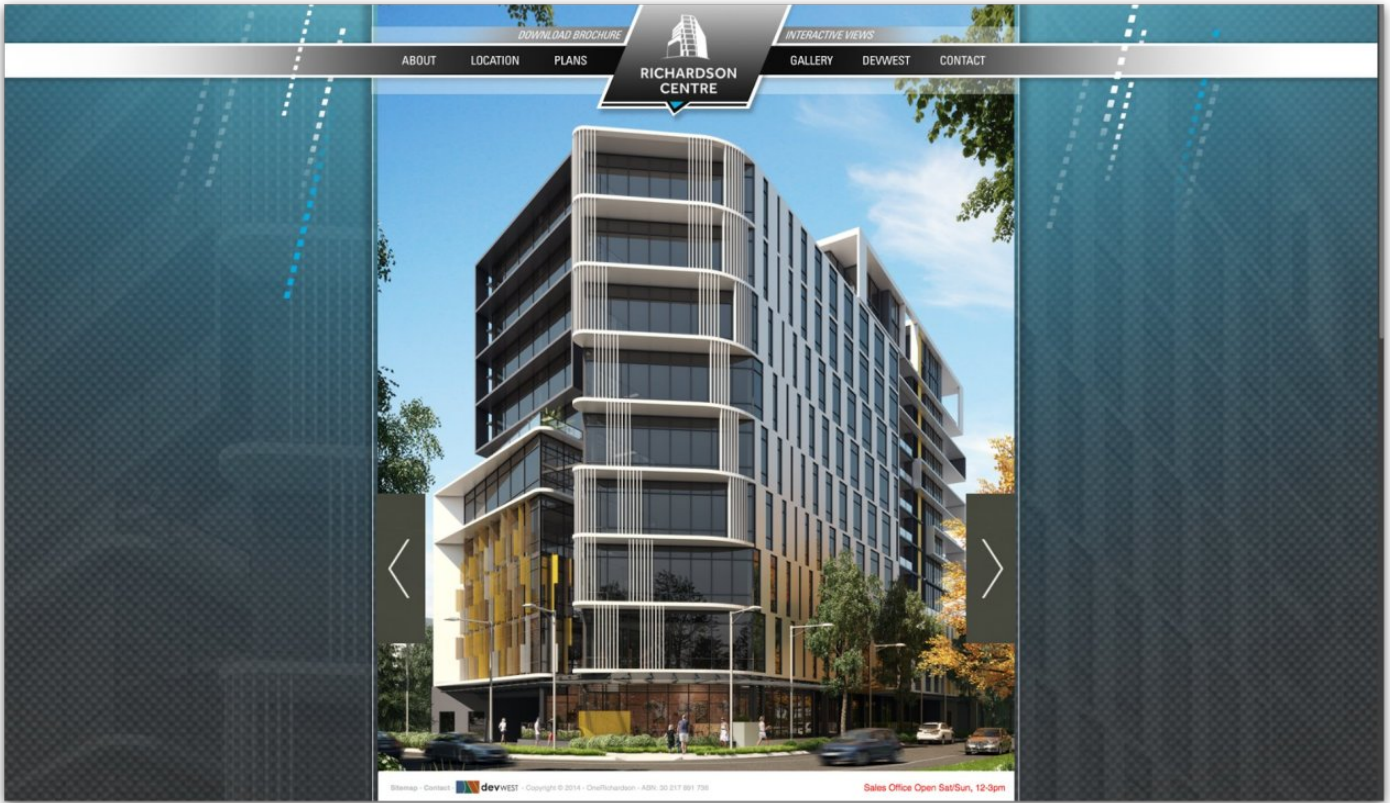

Aqumen's independence enables us to partner with specialist consultants to facilitate a multi-disciplined team to meet client objectives.

Our client focussed, outcome based team will ensure your organisation and project objectives are achieved.
